Web

A technical term describing the system of access to information via the Internet, configured through pages created using HTML or similar languages and programming mechanisms such as Java, JavaScript, PHP and others.

Hyperlink

A technique by which a User may navigate between web pages or websites through a simple click on text, icons, buttons or other elements containing links.

Cookies

Technical tools used to track and monitor browsing activity on websites.

Cookies are small text files stored on the User's device.

Because their use may affect privacy, ENVIRONMENTAL CONSERVATION PROJECT SLU will properly inform users of their implementation through a dedicated Cookie Policy accessible from the website alongside this Legal Notice and the Privacy Policy.

Terms of Use

Accessing and using the Website automatically grants the status of User and implies full, unconditional and irrevocable acceptance of all provisions contained in this Legal Notice.

If the User does not agree with any of these terms, the User must refrain from using the Website.

This Legal Notice may be modified or updated at any time. Consequently, the version published by ENVIRONMENTAL CONSERVATION PROJECT SLU may differ whenever the User accesses the Website.

Users are therefore advised to review this Legal Notice each time they access the Website.

Through the Website, ENVIRONMENTAL CONSERVATION PROJECT SLU provides Users with access to and use of various Content published either directly by the company or by authorised third parties.

The User undertakes to use the Website and its Content in accordance with:

- Applicable legislation.
- This Legal Notice.
- Any additional notices or instructions provided.
- Generally accepted standards of conduct and good faith.

The User agrees not to use any Content for unlawful purposes or purposes prohibited by this Legal Notice or applicable law, nor in any manner that may harm the rights or interests of third parties or damage, disable, overload or impair the Website, its Content or related systems.

The User further undertakes not to transmit, distribute or make available to third parties any material contained on the Website, including information, texts, data, graphics, images, photographs, software, trademarks, logos, icons, source code or any other material accessible through the Website.

In particular, Users may not:

- Reproduce, copy, distribute, publicly communicate, transform or modify Content without the prior written authorisation of ENVIRONMENTAL

CONSERVATION PROJECT SLU or the relevant rights holder, unless otherwise permitted by law.

- Remove, alter or manipulate copyright notices, trademark notices, digital identifiers or any other technical protection mechanisms incorporated into the Content.

Users must refrain from obtaining or attempting to obtain Content through means other than those specifically made available for such purpose or commonly used on the Internet where such use does not involve a risk of damage to the Website or its Content.

Intellectual Property

All trademarks, trade names and distinctive signs appearing on the Website are the property of ENVIRONMENTAL CONSERVATION PROJECT SLU or, where applicable, of third parties who have authorised their use.

Access to or use of the Website and its Content shall not be interpreted as granting Users any rights whatsoever over such trademarks, trade names or distinctive signs.

Likewise, all Content available on the Website constitutes intellectual property owned by ENVIRONMENTAL CONSERVATION PROJECT SLU or by third parties who have authorised its use.

Accordingly, all intellectual property rights, including but not limited to reproduction, distribution, public communication and transformation rights, belong exclusively to ENVIRONMENTAL CONSERVATION PROJECT SLU or the corresponding rights holders.

Any unauthorised use of the information contained on this Website, as well as any infringement of the intellectual or industrial property rights of ENVIRONMENTAL CONSERVATION PROJECT SLU or third parties, may result in the liabilities established by applicable law.

Hyperlinks

Any person intending to establish hyperlinks between their website and this Website must comply with the following conditions:

- No prior authorisation shall be required where the hyperlink merely provides access to the home page of the Website; however, the Website may not be reproduced in any way.
- Any other form of hyperlink shall require the prior express written authorisation of ENVIRONMENTAL CONSERVATION PROJECT SLU.
- No frames or framing techniques may be created around the pages of ENVIRONMENTAL CONSERVATION PROJECT SLU.

- No false, misleading, inaccurate or offensive statements may be made regarding ENVIRONMENTAL CONSERVATION PROJECT SLU, its directors, employees, collaborators, Users or Content.
- It may not be stated or implied that ENVIRONMENTAL CONSERVATION PROJECT SLU has authorised, supervised or assumed responsibility for the contents of the website containing the hyperlink.
- The website containing the hyperlink may only contain information strictly necessary to identify the destination of the hyperlink.
- The website containing the hyperlink must not contain unlawful content or content contrary to public order, morality, good customs or third-party rights.

Website Availability

ENVIRONMENTAL CONSERVATION PROJECT SLU does not guarantee the absence of interruptions or errors in access to the Website or its Content, nor does it guarantee that such Content is permanently updated.

However, the company will use its best efforts to prevent, correct or update such circumstances whenever possible.

Accordingly, ENVIRONMENTAL CONSERVATION PROJECT SLU shall not be liable for damages arising from failures or interruptions in telecommunications networks that result in suspension, interruption or cancellation of access to the Website.

Subject to applicable law, ENVIRONMENTAL CONSERVATION PROJECT SLU excludes liability for damages resulting from:

- Lack of availability of the Website.
- Lack of continuity of service.
- Lack of quality of operation.
- Failure of the Website to meet Users' expectations.

Hyperlinked Websites

The sole purpose of hyperlinks included on this Website is to inform Users of the existence of other websites containing related information.

Such hyperlinks do not constitute recommendations, endorsements or suggestions.

ENVIRONMENTAL CONSERVATION PROJECT SLU is not responsible for:

- The content of linked websites.
- The operation of linked websites.
- The usefulness of hyperlinks.
- The results obtained through hyperlinks.

Nor does it guarantee the absence of viruses or harmful elements that may affect Users' hardware, software, documents or files.

Security

Accessing the Website does not imply an obligation on the part of ENVIRONMENTAL CONSERVATION PROJECT SLU to monitor the absence of viruses, malware or other harmful software.

Users are responsible for maintaining adequate security tools for the detection and removal of harmful software.

Accordingly, ENVIRONMENTAL CONSERVATION PROJECT SLU shall not be liable for security errors occurring during the provision of Website services, nor for damages caused by:

- Viruses present on the User's device.
- Browser malfunctions.
- Use of outdated browser versions.
- Third-party attacks affecting systems beyond the reasonable control of the company.

Quality of Information

Due to the dynamic and changing nature of information and services provided through the Website, ENVIRONMENTAL CONSERVATION PROJECT SLU makes every effort to ensure accuracy but does not guarantee the complete accuracy, reliability, usefulness or timeliness of the Content.

Information provided on this Website is for informational, advisory, promotional and descriptive purposes only.

Nothing contained on the Website shall constitute a binding contractual commitment unless expressly stated otherwise.

Limitation of Liability

ENVIRONMENTAL CONSERVATION PROJECT SLU accepts no responsibility for decisions made by Users based on the information contained on this Website.

Likewise, the company accepts no responsibility for typographical errors, inaccuracies or omissions that may appear in documents or graphics published on the Website.

The information contained on the Website may be modified, expanded, corrected, updated or improved at any time without prior notice.

Notifications

Any notifications or communications made by ENVIRONMENTAL CONSERVATION PROJECT SLU to Users through any communication channel shall be deemed valid and effective for all legal purposes.

Availability of Content

The provision of the Website and its Content is, in principle, of indefinite duration.

However, ENVIRONMENTAL CONSERVATION PROJECT SLU reserves the right to suspend, interrupt or terminate access to the Website or any part of its Content at any time.

Whenever reasonably possible, prior notice of such suspension or termination will be provided.

Personal Data Protection

ENVIRONMENTAL CONSERVATION PROJECT SLU recognises the importance of protecting personal data and has therefore implemented a data processing policy aimed at ensuring the highest standards of security in the collection and use of personal information.

Compliance with applicable data protection legislation constitutes one of the fundamental principles governing the company's activities.

Users are encouraged to read the Privacy Policy available through the link provided in the footer of the Website alongside this Legal Notice.

Jurisdiction

Any disputes arising from the interpretation, application or enforcement of this Legal Notice, as well as any claims arising from the use of the Website, shall be submitted to the Courts and Tribunals of Aracena (Huelva), Spain.

The parties expressly waive any other jurisdiction that may otherwise correspond to them.

Applicable Law

This Legal Notice shall be governed by and construed in accordance with Spanish law.
